

# CONTENTS

FOREWORD .....	7
PREFACE .....	8
DISASTER RISK MANAGEMENT KNOWLEDGE CENTRE .....	10
SHORT EXECUTIVE SUMMARY .....	12
CONTENTS.....	18
<b>1. Introduction .....</b>	<b>21</b>
References.....	42
<b>2. Integrating the risk management cycle .....</b>	<b>49</b>
Introduction.....	52
2.1 Risk assessment .....	54
2.2 Risk management planning.....	66
2.3 Implementing risk management measures .....	78
Conclusions.....	92
References.....	94
<b>3. Assets at risk and potential impacts .....</b>	<b>109</b>
3.1 Methodologies for disaster impact .....	112
References.....	127
<b>Super Case Study 1. Earthquakes in Central Italy in 2016-2017 .....</b>	<b>131</b>
3.2 Population.....	153
Introduction.....	156
3.2.1 Threat to life.....	158
3.2.2 Threat to housing and habitat.....	172
3.2.3 Threat to society .....	188
Conclusions.....	206
References .....	208
<b>Super Case Study 2. Fukushima Daiichi accident in 2011 .....</b>	<b>219</b>
3.3 Economic sectors .....	237
Introduction.....	240
3.3.1 Residential sector.....	242
3.3.2 Agriculture.....	256
3.3.3 Industry and energy .....	268
Conclusions.....	286
References .....	288
<b>Super Case Study 3. Eyjafjallajökull eruption in 2010 .....</b>	<b>305</b>
3.4 Critical infrastructures .....	329
Introduction .....	332
3.4.1 Emergency infrastructure and facilities .....	336
3.4.2 Network infrastructures.....	352
3.4.3 Core industrial and energy facilities .....	366
3.4.4 Communication systems.....	380
Conclusions .....	396
References .....	398

<b>Super Case Study 4. Forest fires in Portugal in 2017</b> .....	413
3.5 Environment and ecosystem services .....	433
References .....	465
<b>Super Case Study 5. COVID-19 emergency</b> .....	473
3.6 Cultural heritage .....	503
References .....	522
<b>4. Communicating risk among all</b> .....	<b>527</b>
Introduction .....	530
4.1 Linking actors, sectors and governance levels .....	532
4.2 Citizen participation and public awareness .....	546
4.3 Integrating tools for prevention and response communication systems .....	558
Conclusions .....	570
References .....	572
<b>Super Case Study 6: Education, cultural inclusion and disasters:         lessons from Greece, the United Kingdom and Central Europe</b> .....	583
<b>5. Transferability of knowledge and innovation across the world</b> .....	<b>601</b>
References .....	632
<b>6. Conclusions and final recommendations</b> .....	<b>639</b>
ACKNOWLEDGEMENTS .....	672
Contributors by chapter .....	673
